

| Best in Class Value Added Services

Intact Public Entities offers more than just an insurance policy. As a leading MGA specializing in public entities, we provide Canadian municipalities with a complete insurance program. What's the difference? A vested interest in helping you reduce your total cost of risk while providing you with complimentary best in class value added services that help improve your overall performance.

Municipal Expertise

Our experience and expertise are second to none. Established in 1927, we are the longest running provider of municipal insurance programs with hundreds of clients across Canada. We are here to support you with specialized in-house risk, claims, underwriting and marketing service. We have heard time and time again that our team and depth of expertise is unparalleled in the marketplace. When you choose Intact Public Entities you are choosing to partner with the best.

Advocacy & Municipal Association Support

Intact Public Entities employees are continually recruited to serve on legislative committees and are aware of changes that will be introduced. We can move quickly to help you begin to modify your policies and procedures to maintain regulatory compliance.

Intact Public Entities advocates and supports your public entities across the country.

Risk Management Services:

Asset Valuation and Risk Inspections

Inspections provide you with calculated reconstruction costs for insurance purposes and ensure insurance to value. Inspections also analyze potential areas of harm and provide risk recommendations to reduce the frequency and severity of incidents.

Municipal Education

Education & Seminars

Over 10,000 municipal employees from almost every department have received training from Intact Public Entities over the past few years. Training can be provided through customized sessions on the topics of your choosing or be tied to a policy/procedure review or claims review. We can also provide training through a webinar format and record these webinars so your managers can use them at any time to train new staff or as a refresher for existing staff. We are always interested in hearing from you as to the type of training your municipality requires.

Reviews & Analysis

Contract Reviews

This complimentary service is among our most popular because a third-party contract review can make a substantial difference. You'll receive valuable feedback and insight from a Paralegal on the suitability and effectiveness of liability provisions and insurance clauses in contracts and agreements.

Policy and Procedural Reviews

Includes an audit of systems and processes to reduce potential losses within your organization. Reviews focus on identifying gaps or inconsistencies between written policies and procedures, operational procedures and current legislation. The review also includes a claims analysis to identify trends, patterns and adherence or its lack of to the written operational policies and procedures.

Online Resource Library – Risk Management Centre of Excellence

You'll receive access to hundreds of relevant and helpful resources and templates designed to provide you with the tools needed to manage municipal risk.

Claim Services:

Claims Management Best Practices Framework

Manage claims under your deductible with greater efficiency using our tested claims analytics and measures that are guaranteed to have a positive effect on cost savings. Couple this with strong claims and risk management and your organization will be better prepared to help mitigate and manage future incidents.

In-House Claims Management Services

Your claims will be handled better. We have in-house claims authority – others may not. Why does this matter? You'll experience faster turnaround, one point of contact, reduced frustration, better claims resolution and improved expense management.

Claims History Analysis

Identify the cause of claims and focus on trends and patterns to help eliminate risk sources.

Guidewire ClaimCenter® Claims Management

View the status of claims in addition to data mining capabilities for risk management purposes so as to better identify risk trends and address them with mitigation techniques.

Claims Education

Customized municipal seminars on claims related topics delivered to solve specific risk issues.

Expertise

Canadian municipal claims experience and expertise is important. Our understanding of the complex municipal landscape allows us to better service your unique claims requirements.
